INDEPENDENT AUDITOR'S REPORT

To the Members of LINCK Child, Youth and Family Supports

Opinion

We have audited the financial statements of LINCK Child, Youth and Family Supports (the Entity), which comprise:

- the statement of financial position as at March 31, 2025
- the statement of operations for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes and schedules to the financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Entity as at March 31, 2025, and its results of operations, its changes in net assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audits in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "***Auditor's Responsibilities for the Audit of the Financial Statements***" section of our auditor's report.

We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going Concern

We draw attention to Note 2 in the financial statements, which indicates that the Entity has a working capital deficiency as a result of current and prior years' deficiencies of revenues over expenses.

As stated in Note 2 in the financial statements, these events or conditions, along with other matters as set forth in Note 2 in the financial statements, indicate the existence of material uncertainties that may cast significant doubt on the Entity's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Responsibilities of Management for the Financial Statements and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

Page 3

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to Financial Statements

Year ended March 31, 2025

The Chatham-Kent Children's Services (the "Service") was incorporated under the laws of Ontario on March 5, 1998 without share capital and is a registered charity under the Income Tax Act. It provides support services to the children and youth of Chatham-Kent and their families in accordance with service and financing agreements in place with its funding partners. The Service operates under the regulations and financial policies of the Ministry of Children, Community and Social Services, the Ministry of Health, the Broader Public Sector Accountability Act, 2010, Ministry of Education and the Municipality of Chatham-Kent. On April 5, 2022, the Service filed articles of amendment to change the corporation name to LINCK Child, Youth and Family Supports.

1. Significant accounting policies:

(a) Basis of presentation:

The financial statements of the Service have been prepared in accordance with Canadian Public Sector Accounting Standards including the 4200 standards for government not-for profit organizations.

(b) Cash:

Cash consists of cash on hand and the balance on account any investments with maturity dates of less than three months.

(c) Capital assets:

Capital assets are reported at their original cost and amortized using the straight-line method over the estimated following useful lives:

Asset	Estimated useful life
Buildings	40 years
Equipment and furnishing:	
Technology equipment	3 years
Communication equipment	5 years
Vehicles	5 years
Furniture and other equipment	10 years

Amortization is not taken until assets are placed in use.

1. Significant accounting policies (continued):

(d) Asset retirement obligations:

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- There is a legal obligation to incur retirement costs in relation to a capital asset;
- The past transaction or event giving rise to the liability has occurred;
- It is expected that future economic benefit will be given up; and
- A reasonable estimate of the amount can be made.

(e) Contributed services:

A substantial number of volunteers contribute a significant amount of their time each year. Because of the difficulty in determining the fair value, contributed services are not recognized in the financial statements.

(f) Revenue recognition:

Contributions from funding organizations are recognized as revenue in the year of receipt except in the following:

- (i) Contributions relating to approved expenditures not yet incurred are credited to deferred revenue to match the funding organization's fiscal year.
- (ii) Unexpended funds at the end of the year from contributions to the operating fund, reduce contribution revenue and are reported as amounts repayable, unless approval has been received to use excess funds for specific upcoming expenditures. Over expenditures may not be recovered.

(g) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are reported at fair value. All other financial instruments are subsequently recorded at cost or amortized cost unless management has elected to carry the instruments at fair value. Management has elected to record any future interest rate swaps at fair value.

Unrealized changes in fair value are recognized in the statement of remeasurement gains and losses until they are realized, when they are transferred to the statement of operations. As the Service has no financial instruments recognized at fair value, the Service does not have a statement of remeasurement gains and losses.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using the straight-line method.

Notes to Financial Statements

Year ended March 31, 2025

1. Significant accounting policies (continued):

(g) Financial instruments (continued):

All financial assets are assessed for impairment on an annual basis. When a decline is determined to be other than temporary, the amount of the loss is reported in the statement of revenue and expenditures.

(h) Use of estimates:

The preparation of the financial statements in conformity with Canadian Public Sector Accounting Standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Significant items subject to such estimates include the valuation of accounts receivable and capital assets. Actual results could differ from those estimates.

2. Going concern:

These financial statements have been prepared on a going concern basis, which assumes that the Service will continue in operation for the foreseeable future and be able to realize its assets and discharge its liabilities in the normal course of operations. There is significant doubt about the appropriateness of the use of the going concern assumption because the Service has an operations deficit for the year ended March 31, 2025 and a working capital deficiency at March 31, 2025.

The ability of the Service to continue as a going concern and realize its assets and discharge its liabilities in the normal course of operations is dependent upon the continued support of the Ministry of Children, Community and Social Services and on its ability to restore and maintain sustainable operations in the future. No assurance can be given that additional funding will be available in the future from the Ministry of Children, Community and Social Services or other sources or that, if available, it can be obtained on terms favourable to the Service.

These financial statements do not reflect adjustments that would be necessary if the going concern assumption was not appropriate. If the going concern assumption was not appropriate for these financial statements, then adjustments would be necessary to the carrying value of assets, the reported revenues and expenses, and the statement of financial position classifications used.

5. Other assets - RESPs:

The Service has received from the Ministry of Children, Community and Social Services funds equivalent to the amounts received as Universal Child Care Benefits to be used to establish Registered Education Savings Plans (RESP's) for qualifying children ages birth to seventeen in the care of the agency. These funds have been invested in accordance with the directions from the Ministry of Children, Community and Social Services. At March 31, 2025, the Service holds RESPs in the amount of \$1,534,560 (2024 - \$1,438,992). These funds are not shown in the financial statements of the Service.

7. Funding repayable:

The Service has several contracts with the Ministry of Children, Community and Social Services and the Ministry of Health. A reconciliation report summarizes, by detailed code, all revenues and expenditures and identifies any resulting surplus or deficit that relates to the contracts. A review of this report shows the following services to be in a surplus (deficit) position as at March 31. Any surplus amounts are reflected in funding repayable including adjustments from reconciliations with the Ministry.

15. Pension agreements:

The Service makes contributions to the Ontario Municipal Employees Retirement Fund (OMERS), a multi-employer plan. The Plan is a defined benefit plan, with contributions made by both the employee and employer. As a result, \$2,371,419 (2024 - \$2,421,375) was contributed to OMERS in the current year. The OMERS plan is currently 98% funded.

16. Financial risks:

Transactions in financial instruments may result in an entity assuming or transferring to another party one or more of the financial risks described below. The required disclosures provide information that assists users of financial statements in assessing the extent of risk related to financial instruments.

(a) Credit risk:

In management's opinion the Service is not exposed to significant credit risk.

(b) Concentration of risk:

In management's opinion the Service is not exposed to any significant concentrations of risk.

(c) Interest rate risk (cash flow, risk and price risk):

The Service is exposed to interest rate risk. Interest rate risk is the risk that the Service has on interest rate exposure on a portion of its long-term debt, which is variable based on the bank's prime rates. This exposure may have an effect on its cash flows in future periods. The Service reduces its exposure to interest rate risk by regularly monitoring published bank prime interest rates which have been relatively stable over the period presented. In the opinion of management the interest rate risk exposure to the Service is low and is not material. There has been no change to the risk exposures from 2024.

(d) Liquidity risk:

The Service has significant financial liabilities outstanding including accounts payable and accrued charges. The Service is exposed to the risk that it may not have sufficient liquid assets to meet its commitments associated with these financial liabilities. The Service manages its liquidity risk by monitoring operating requirements and prepares budget and cash forecasts to ensure it has sufficient funds to fulfill its obligations. The Service's ability to access liquid resources is dependent upon the continued support of the Ministry of Children, Community and Social Services.

(e) Market risk:

In management's opinion the Service is not exposed to significant market risk.

(f) Foreign currency risk:

In management's opinion the Service is not exposed to significant foreign currency risk.

17. Contingencies:

Due to the nature of its operations, the Service and/or its directors or employees are periodically subject to lawsuit(s) in which they are defendants. In the opinion of management, the ultimate resolution of any current lawsuit(s) would not have a material effect on the financial position or results of operations of the Service.
